

**Choice Neighborhood Initiative Case Manager
Resident Services**

The Housing Authority of Kansas City, Missouri (HAKC) has been funded by HUD to provide case management services to families who reside at Chouteau Court (CC), a family development that will eventually be demolished and the residents will be relocated. The HAKC will provide intensive case management services in a five-step process:

1. Assess the eligible resident to determine service needs
2. Develop an individualized integrated care plan (ICP)
3. Refer and relate activities to help the resident obtain their needed services
4. Monitor and follow-up
5. Evaluate

The case manager will assist and follow the family for five years, which is for the duration of the Choice Initiative. Initially, the case manager will work on-site at Chouteau Court. However, as families are relocated to other housing, the case manager will continue to follow the family and provide case management services.

To perform this job successfully, an individual must demonstrate the following competencies:

- Ability to develop an Individualized Integrated Care Plan (ICP) including health, education, and employment needs for each member of the family
- Ability to work well with other team members and other partner agencies who will be providing additional services in the areas of health, education and employment
- Works with the resident on a day-to-day basis using professional judgement and discretion to implement the team determined ICP
- Maintains a high level of ethical conduct regarding confidentiality, dual relationships, and professional stature
- Must communicate effectively; verbally and in writing

Individuals must have the following qualifications:

- Bachelor's or Master's degree in Social Work, Psychology, Sociology or other Human Services related field
- Experience in case management
- Experience with Microsoft Office and database entry
- Reliable transportation
- Cultural competence in working with low income and minority families is preferred
