

Transfer of Ownership and Assignment of Housing Assistance Payment Contract

Every transfer of ownership for any assisted property on the Housing Choice Voucher Program (HCV) must be recorded with the Housing Authority of Kansas City, Missouri (HAKC). The effective date of the ownership change will be the first of the month following notification of the sale. Any assistant payments paid prior to the notification will need to be recovered from the seller and or agent representative of the seller.

Seller - Sellers are to submit the Affidavit of Transfer as soon as possible after the sale of the unit to ensure Housing Assistance Payments is paid to the correct owner and reduces the complications in processing the transfer. Sellers must provide the buyer with a copy of the lease and Housing Assistance Payment Contract. It is the responsibility of the owner to also notify the buyer of any pending issues related to the property and tenant, i.e. scheduled inspections, deficiency lists, abatement of rent, notice of vacates.

Buyer - Buyers are strongly advised to contact the HAKC to determine the continued eligibility of the property on the program prior to purchase. Buyers must sign a Contract amendment form as soon as possible after the purchase of the property.

Procedure to record transfer of ownership - A current Housing Assistance Payment (HAP) Contract must be in effect at time of transfer. HAKC requires the following information for proof of ownership:

1. Recorded warranty or deed
2. Original W-9 filled out and signed by the Property Owner
3. Non-expired Photo I.D, Power of Attorney or Articles of Organization (for businesses)
4. The Housing Authority, at any time, may request additional information deemed necessary to complete all transfer of ownership requests.

The HAP contract may not be assigned to a new owner that is debarred, suspended or subject to a limited denial of participation under HUD regulations (Title 24 Code of Federal Regulations Part 24 §24.1).

The HAP contract may not be assigned to a new owner if the new owner (including a principal or other interested party) is the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the family of such determination) that approving the assignment, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

❖ By signing below, the new owner agrees to be bound by and comply with the HAP contract.
