**General Information**

This addendum provides additional project details not included in the original Invitation for Bids (IFB). Section 1 addresses changes made to the scope by our Project Manager Brad Valentine.

Please sign page 2 of this addendum to acknowledge receipt. Please include it with your bid submission for IFB 24-0809, covering Snow Removal, Salting, and Sanding Services.

**Section 1**

In order to obtain an apple-to-apple comparison of all bids. Please submit a base bid for Snow Accumulation of up to 3 inches of snow.

HAKC will utilize the bid amount and multiply by 3-inch increments beyond the initial 3 inches. For example, with 12 inches of snow, the base bid will be multiplied by 4, since 12 inches is made up of 4 sets of 3 inches. HAKC will use standard rounding to identify the nearest whole number for multiplication.

Under this pricing structure, the Contractor and Project Manager will jointly determine the invoiced amount.
